You two are in the upper stratosphere of persons whom I ever met in my lifetime, who are diligent and organized in their endeavors, relaxed and creative - yet consistently focused, truly care and respect others, have a strong sense of family fabric, and surely excellent mentors.

You two embody a "purpose," which is not for yourselves, but rather a "greater good."

All the best to my pleasant, charismatic, and savvy friends! Continued health, happiness, and success to you and your loved ones. Thank you for all that you do for those less fortunate. God Bless You Both.
